# About us

Halloumi Foods Company, established in 2016, is a subsidiary of Al-Hazaa Investment Group and is specialized in the production of instant fried noodles.

Throughout generations, Al-Hazaa Investment Group has always invested in developing and modernizing the foods industry in Jordan and the Middle East. Establishing Halloumi Food Company as the first instant noodles factory in Jordan was an implementation of our vision of keeping up with market requirements and demands.

# What we do

Production of instant fried noodles.

Our Instant noodles are produced under the strictest hygienic standards using the most innovative solutions. At Halloumi Foods, we set ourselves the highest quality standards covering everything from raw materials and the noodle dough to packing our final product of the perfect noodles. With Al-Hazaa's experience in the food production sector that exceeds 70 years and the Swiss technology implemented at Halloumi Foods by Bühler AG, producing top quality products is a must and guaranteed at our factory.

# HALLOUMI FOODS

## Big Capacity

Halloumi Foods Co. has a cutting-edge production line from Bühler company in Switzerland, our factory holds an impressive capacity of 18,000 pcs per 24 hours. This extraordinary capability positions us as a go-to choice for large-scale, bulk orders, making us a reliable partner for all your supply needs.

## FREE TRADE AGREEMENT

Our strategic location in Jordan presents a significant advantage, allowing us to leverage numerous free trade agreements. These agreements, including GAFTA with the Arab League, JOFTA with the USA, and EUR-1 with the European Union, enable us to navigate the global market by exempting taxes on both imports and exports. This positions us as a cost-effective and efficient choice for international trade.

## PRODUCT FLEXIBILITY

We offer a wide variety of products with high flexibility. Whether you're looking for packed or cupped noodles, we can tailor the packaging to your specific needs. From customizing package weight and shape to adjusting the number of pieces in each pack or carton. Choose from our in-house brands or opt for a private label brand to meet your precise requirements.
